training in the terrain and 8 to 10 armored personnel carriers, 3 motorcycles and 4 sidecar motorcycles were also seen.	
On 11 April, tanks were unloaded at the Bernau railroad station. Imprints of tank tracks led to the Luftnachricthten Kaserne.	
Jeeps sedan and truck	2
On 11 April, the SS Brieftaubenstation (4243) in Bernau was again occupied to capacity by soldiers wearing red-bordered black epaulets with artillery insignia. The following heavy weapons were	
at training. Sedan was also seen.	:
At about 0600 on 17 Appil, a troop train left Bernau and went toward Berlin. It carried 5 x 122-mm field howitzers, 6 x 100-mm AT guns, 6 tractors, 15 to 20 trucks and 1 field kitchen and included about 10 boxcars.	
Comment. According to weapons, an AT unit of the 71st Light Arty Brig transferred, presumably to the Templin training grounds, for firing practices.	2

Mecz Regt. which presumably transferred to the Templin training grounds.	;
Comment. The 52d Gds Rl Bn of the 6th Gds Mecz Div probably transferred from the Luftnachrichten Kaserne to the former Army Clething Depot I in Bernau. This transfer may explain the assignment of the pocket launchers, which have recently been observed in the army clothing depot.	2
